

19 JUNE 2018

UN-CHASE SNAKES! WORKSHOP

Bellarine Dog Activities Group is very pleased to host Alexis Davison (Scholars in Collars) to deliver her **positive reinforcement** Un-chase Snakes! workshop in the Geelong region.

This one day workshop is suitable for **dogs of all ages and abilities** with a **current vaccination**. However, due to the course format, dogs **must be people and dog friendly**.

To ensure individual attention, the workshop is **limited to 8 dogs**, and observer positions (without dogs) are also available. BDAG members will be given first option to enroll.

Costs are \$110 for positions with dogs and \$25 for observers. Bookings are essential and can be made at <https://goo.gl/forms/4BmDW6LDCDodVMaZ1>

The workshop will run from 10:00am to 4:00 pm at a rural property in Gherang (35km west of Geelong) – further details on the venue and what to bring will be provided on enrollment.

About 6,500 pets are bitten by snakes each year in Australia according to the animal emergency centre.

This one day **Un-chase! Snakes!** workshop will:

- discuss management strategies to prevent your dog being bitten
- teach impulse-control skills in the presence of snakes
- teach alternative behaviours in the presence of a snake
- provide opportunities to practise training

All students will be provided with the Scholars in Collars Un-Chase! Snakes! e-booklet
